The diagram illustrates the layout of an outdoor gym, showing six numbered safety zones (1-6) and their corresponding equipment. The zones are defined by green dashed lines and are situated within a larger rectangular area. The equipment is represented by grey shapes with internal details. Dimensions are provided for the zones and the overall layout. A red dashed line runs through the center of the zones. The gym is bordered by a hatched area labeled "budynek świetlicy" (recreation building). A line labeled "linia zabudowy drogi wojewódzkiej nr 844" (building line of the provincial road nr 844) is shown on the left. The overall dimensions of the gym area are 550m by 1300m. The zones are numbered 1 through 6, with dimensions for each zone: 1 (390m x 380m), 2 (390m x 380m), 3 (390m x 380m), 4 (440m x 410m), 5 (440m x 410m), and 6 (440m x 410m). The zones are arranged in two rows of three. The overall dimensions of the gym area are 550m by 1300m.
